

Flemings Built Up English Town. Rochdale, England, laid the foundation of its prosperity in the reign of Edward III, when a body of Flemish emigrants took up their abode there and introduced their craft as clothiers. Rochdale, in the time of Queen Elizabeth, had become so famous for its woolen manufacturers that the "aulager," the official appointed by the queen to measure all woolen cloth made for sale, had to appoint a special deputy there to keep pace with its manufacture and see that the crown was not robbed of its dues.

Poker an Italian Game. Poker is probably a development of the first, an Italian game of the fifteenth century. A similar game called primiera was played in Italy in the sixteenth century, and thence journeyed into Spain. In France this became ambigue, and later appeared in England under the name of brag. Poker is distinctly an American game, and seems to have descended more directly from the game of brag than from any of the others.

Singer's Marvelous Memory. It is said that Herr Stehmann learned the entire part of the "Wanderer" in "Siegfried" in six hours; and on one occasion when Herr Krause, who was to have taken the leading role in Xaver Scharwenka's "Mataswinka," was suddenly taken ill, Stehmann, who had never before seen the part, mastered it so completely between the afternoon rehearsal and the evening performance, that in both words and music he was absolutely perfect.

Drives Off A Terror.

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes it has kept him from having pneumonia three or four times," writes Mrs. Geo. W. Place, Rawsonville, Vt., "and for coughs, colds and croup we have found it equal." Guaranteed for all bronchial affections. Price 50c and \$1.00. Trial bottle free by all druggists. adv.

Always an Active Enemy.

Above all things, be on your guard against your temper. It is an enemy that will accompany you everywhere to the last hour of your life. If you listen to it, it will frustrate all your designs. It will make you lose the most important opportunities, and will inspire you with the inclinations and aversions of a child, to the prejudice of your gravest interests. Temper causes the greatest affairs to be decided by the most paltry reasons; it obscures talent, paralyzes every energy, and renders its victims unequal, weak, vile and insupportable. *Fennelon.*

Aid The Kidneys

Do not endanger life when a Manning citizen shows you the way to avoid it. Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headache, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them? Doan's kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Manning testimony.

James E. Reardon, Manning, S. C., says: "Some years ago I used Doan's Kidney Pills, obtained from Dr. W. E. Brown & Co's Drug Store, (now the Dickson Drug Co.) and I found them to be a valuable kidney medicine. They brought me prompt and lasting relief from backache and pains across my loins and did me a world of good."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Celebration

EMANCIPATION PROCLAMATION

January 1st, 1914.

The Regular Lincoln Memorial Association of Clarendon County, duly Corporate'd, will hold its Regular Annual Celebration in the City of

Manning, S. C., Jan. 1, 1914.

We call on every race-loving citizen to lay aside his work and come to Manning and join in this grand celebration of what the race has accomplished in its fifty years of freedom. We ask all unity-loving citizens to come and join and assist us in making this Gala Day.

READ! READ!! READ!!!

We ask that you pay no attention to handbills sent out by self-delegated preachers, teachers and designing men that would destroy the unity that has existed in the county for 20 years or more. They are teaching race division and dissension because of the friendly feeling that exists between the present officers and leaders and the white citizens of the county.

We have led you for twenty years and perfect harmony has existed between both races, and we hope it will continue. We ask that you rise above incendiarism of this kind and let us continue in this good work.

We appeal to each minister and teacher that believes in peace and harmony between both races and unity of ourselves to join with us and assemble as we always have done. We believe in absolute absolute harmony of the races and we so teach. We will have on this day fine band music to make everything lively.

The program will be as follows:
